LABYRINTH

#976-283-048

Rules

1. On the first page, start at the entrance. This is marked with s.
2. On each page, find the staircase. This is marked with \uparrow or \downarrow .
3. Reach \downarrow to go to the next floor. On the next floor, start at \uparrow in the same spot. Once you reach a staircase, you must take it.
4. Some floors have multiple staircases. Progress through the floors to reach the last page.
5. On the last page, find the exit. This is marked with x.
